Left-handed writers

Name _____

LetterSchool worksheet pack · free to print and share

Your child writes with the left hand and smudges the writing, hooks the wrist or cannot see what they just wrote. Left-handed children learn the same letters, but a few changes to the paper and the grip make it much easier.

How to use this pack

1. **Week 1: comfortable strokes: Practise lines and circles with the paper tilted. Check the wrist stays below the line.**
2. **Week 2: letters and words: Letter families and words. Cross letters like t and f from left to right like everyone else, or right to left if that is more comfortable.**
