Sight words that don’t stick

Name _____

LetterSchool worksheet pack · free to print and share

Your child practises the same sight words every week with flashcards and still forgets them. Words stick better when children connect the letters to the sounds and write them, not only look at them.

How to use this pack

1. **Week 1: a, I, the, to, and: One page per word: read, color, trace, write, find, build and read it in a sentence.**
2. **Week 2: is, it, in, see, can: Five more words, and a game with the words of week 1.**
3. **Week 3: review: Roll and read with all pre-primer words. Color a word only when it comes instantly.**
