Spacing between words

Name _____

LetterSchool worksheet pack · free to print and share

Your child writes sentences like “Ilikemydog”. The letters are fine, but the words run together. Children who do this usually do not yet see a sentence as separate words; spacing comes once they do.

How to use this pack

1. **Days 1–3: see the spaces: Read stuck-together sentences and rewrite them with finger spaces.**
2. **Days 4–6: trace and copy: Trace sentences with clear spaces, then copy them. Use a finger after every word.**
3. **Day 7: fix it yourself: Spot the missing capital letters, spaces and periods.**
