LetterSchool worksheet pack · free to print and share

Your child is ready to learn cursive, or the school has started it, and you want a clear path. Cursive is easiest when children learn the joining movement first, then a few letters, and join words early on.

How to use this pack

1. **Week 1: the movement: Loops and waves without lifting the pencil.**
2. **Week 2: first letters: Letters with the same upstroke.**
3. **Week 3: c-letters: Letters that start like a c.**
